Image Processing and Computer Vision (CSC6051/MDS6004) Assignment 1

Your Name
Your Student ID
`youremailaddress@link.cuhk.edu.cn`

Abstract

Summarise your performance in each task in the abstract section. Overleaf (https://www.overleaf.com/) is recommended to edit and compile the latex project. If you borrow some code from the other papers & repositories, you should provide the references. The maximum length of this report is 6-pages (including all tables, figures and references).

1. Task 1

Implementation Details TBD

Results & Analysis TBD

2. Task 2

Implementation Details TBD

Results & Analysis TBD

3. Task 3

TBD

Method	Metric
A	a
B	b
C	c

Table 1. An example to demonstrate results in table.

4. Conclusion
